

Document Number 118A - (ABSTRACTS MURKIN)

Document number 118A consists of one page containing the abstract for serial 44-38861-920 of the FBIHQ MURKIN file, dated April 9, 1968. The majority of information in this document was released.

A deletion was made pursuant to exemption (b)(7)(C) to protect the name of an individual who allegedly had knowledge of the assassination three weeks before Dr. King was killed. Inasmuch as this individual was interviewed by the FBI and denied possessing any knowledge regarding the assassination, release of his name would be an unwarranted invasion of his privacy. (See paragraph 13a, supra.)
